**PROXY STATEMENT
FOR THE 2021 ANNUAL MEETING OF STOCKHOLDERS**

June 8, 2021

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you these proxy materials because the Board of Directors of Marker Therapeutics, Inc. (sometimes referred to as the “Company” or “Marker”) is soliciting your proxy to vote at the 2021 Annual Meeting of Stockholders, including at any adjournments or postponements of the meeting. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or through the internet.

We intend to mail these proxy materials on or about April 23, 2021 to all stockholders of record entitled to vote at the Annual Meeting.

How do I attend the Annual Meeting?

The Annual Meeting will be a virtual stockholder meeting through which you can listen to the meeting, submit questions and vote online. In order to attend the Annual Meeting, you must first register at <http://viewproxy.com/markertherapeutics/2021/htype.asp> by 11:59 p.m. Eastern Time on Thursday, June 3, 2021. Please follow the instructions on the registration page. You will then receive a meeting invitation by email with your unique link to join the Annual Meeting along with a password prior to the meeting date. We recommend that you log on a few minutes before the Annual Meeting to ensure that you are logged in when the meeting begins. Information on how to vote online during the Annual Meeting is discussed below.

We have decided to hold a virtual stockholder meeting because of the public health impact of the COVID-19 pandemic to enable our stockholders to participate from any location around the world that is convenient to them. Stockholders that attend the virtual meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting. You will not be able to attend the Annual Meeting in person.

Both stockholders of record and street name stockholders will be able to attend the Annual Meeting via live audio webcast, submit their questions during the meeting and vote their shares electronically at the Annual Meeting.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on April 12, 2021 will be entitled to vote at the Annual Meeting. On this record date, there were 83,013,929 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 12, 2021 your shares were registered directly in your name with Marker’s transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote online during the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or internet as instructed below to ensure your vote is counted. If you are a registered holder, your virtual control number will be on your Notice of Internet Availability of Proxy Materials or proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 12, 2021 your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and these

proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. However, since you are not the stockholder of record, you may not vote your shares online during the Annual Meeting unless you request and obtain a legal proxy from your broker, bank or other agent. During the registration process, you will be asked to upload or email the legal proxy provided to you by your broker, bank or other agent. You are also invited to attend the Annual Meeting so long as you demonstrate proof of stock ownership. Instructions on how to demonstrate proof of stock ownership are posted at <http://viewproxy.com/marketherapeutics/2021/htype.asp>. On the day of the Annual Meeting, if you are a beneficial holder, you may vote during the meeting only if, during registration and in advance of the meeting, you emailed or uploaded a copy of your legal proxy to VirtualMeeting@viewproxy.com as instructed below.

What am I voting on?

There are three matters scheduled for a vote:

- Election of seven directors (Proposal 1);
- Advisory approval of the compensation of the Company’s named executive officers, as disclosed in this proxy statement (Proposal 2); and
- Ratification of selection by the Audit Committee of the Board of Directors of Marcum LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2021 (Proposal 3).

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” all the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For each of the other matters, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote online during the Annual Meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy through the internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote online during the meeting even if you have already voted by proxy.

- To vote online during the meeting, you may vote using the link that will be provided on the virtual meeting screen, or you may visit www.AALvote.com/MRKR while the polls are open. In order to vote during the meeting, you will need your virtual control number, which will be on your Notice of Internet Availability of Proxy Materials or proxy card.
- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-866-804-9616 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the virtual control number from your Notice of Internet Availability of Proxy Materials or proxy card. Your telephone vote must be received by 11:59 p.m. Eastern Time on June 7, 2021 to be counted.

- To vote through the internet, go to www.AALVote.com/MRKR to complete an electronic proxy card. Please have your enclosed proxy card available when you access the voting website and follow the prompts to vote your shares. Your internet vote must be received by 11:59 p.m. Eastern Time on June 7, 2021 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a voting instruction form with these proxy materials from that organization rather than from Marker. Simply complete and mail the voting instruction form to ensure that your vote is counted. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank. To vote online during the Annual Meeting, you must obtain a legal proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact that organization to request a proxy form. In advance of the Annual Meeting, you will need to upload or email a copy of the legal proxy from your broker, bank or other agent to VirtualMeeting@viewproxy.com in order to vote at the Annual Meeting. To vote online during the meeting, you may vote using the link that will be provided on the virtual meeting screen, or you may visit www.AALvote.com/MRKR while the polls are open. You will need your virtual control number, which will be assigned to you in your confirmation of registration email, in order to vote during the meeting.

Internet proxy voting has been provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 12, 2021.

If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or online during the Annual Meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of all seven nominees for director, “For” the advisory approval of executive compensation, and “For” the ratification of Marcum LLP as independent auditors for the year ending December 31, 2021. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. In this regard, under stock exchange rules, brokers, banks and other securities intermediaries that are subject to such rules may use their discretion to vote your “uninstructed” shares with respect to matters considered to be “routine” under such rules, but not with respect to “non-routine” matters. In this regard, Proposals 1 and 2 are considered to be “non-routine” under such rules, meaning that your broker may not vote your shares on those proposals in the absence of your voting instructions. However, Proposal 3 is considered to be “routine” under such rules, meaning that if you do not return voting instructions to your broker by its deadline, your shares may be voted by your broker in its discretion on Proposal 3.

If you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Marker Therapeutics, Inc., Attention: Secretary at 3200 Southwest Freeway, Suite 2500, Houston, Texas 77027.
- You may attend the Annual Meeting and vote online. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by your broker, bank or other agent.

When are stockholder proposals and director nominations due for next year's Annual Meeting?

To be considered for inclusion in next year's proxy materials, your written proposal must be received by our Secretary by December 24, 2022. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year's proxy materials, you must do so not earlier than February 8, 2022 and not later than March 10, 2022. Stockholder proposals and director nominations should be addressed to Marker Therapeutics, Inc., Attention: Secretary, 3200 Southwest Freeway, Suite 2500, Houston, Texas 77027. Your notice to the Secretary must set forth information specified in our bylaws.

If you propose to bring business before an annual meeting of stockholders other than a director nomination, your notice must include, as to each matter proposed, the following: (1) a brief description of the business desired to be brought before such annual meeting and the reasons for conducting that business at the annual meeting, (2) the text of the proposal, including the text of any resolutions proposed for consideration and (3) any material interest you have in that proposal.

If you propose to nominate an individual for election as a director, your notice must also include, as to each person you propose to nominate for election as a director, the following: (1) all information related to such nominee that would be required to be disclosed in solicitations of proxies for the election of such nominee as a director pursuant to Regulation 14A under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), including such person's written consent to being named in the proxy statement as a nominee

and serving as a director, if elected, and (2) a description of all direct and indirect compensation and other material monetary arrangements, agreements or understandings during the past three years, and any other material relationship, if any, between or concerning you and your affiliates, on the one hand, and the proposed nominee or any of his or her affiliates, on the other hand. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as an independent director or that could be material to a reasonable stockholder's understanding of the independence, or lack of independence, of the proposed nominee.

For more information, and for more detailed requirements, please refer to our bylaws filed as Exhibit 3.6 to our Current Report on Form 8-K (File No. 001-37939), filed with the SEC on October 17, 2018.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes "For," "Withhold" and broker non-votes, and, with respect to the other proposals, votes "For" and "Against," abstentions and, if applicable, broker non-votes. Abstentions will be counted towards the vote total for each of Proposals 2 and 3 and will have the same effect as "Against" votes. Broker non-votes on Proposals 1, 2 and 3 will have no effect and will not be counted towards the vote total for any of those proposals.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in street name does not give voting instructions to his or her broker, bank or other securities intermediary holding his or her shares as to how to vote on matters deemed to be "non-routine" under stock exchange rules, the broker, bank or other such agent cannot vote the shares. These un-voted shares are counted as "broker non-votes." Proposals 1 and 2 are considered to be "non-routine" under stock exchange rules and we therefore expect broker non-votes on these proposals. However, as Proposal 3 is considered "routine" under stock exchange rules, we do not expect broker non-votes on this proposal.

As a reminder, if you a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

How many votes are needed to approve each proposal?

For the election of directors, the seven nominees receiving the most "For" votes from the holders of shares present online at the meeting or represented by proxy and entitled to vote on the election of directors will be elected. Only votes "For" will affect the outcome.

Proposal 2, advisory approval of the compensation of the Company's named executive officers, will be considered to be approved if it receives "For" votes from the holders of a majority of shares present online at the meeting or represented by proxy and entitled to vote on the matter. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Broker non-votes will have no effect.

To be approved, Proposal 3, ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm for fiscal year 2021, must receive "For" votes from the holders of a majority of shares present online at the meeting or represented by proxy and entitled to vote on the matter. If you "Abstain" from voting, it will have the same effect as an "Against" vote. Since brokers have authority to vote on your behalf with respect to Proposal 3, we do not expect broker non-votes on this proposal.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present online at the virtual meeting or represented by proxy. On the record date, there were 83,013,929 shares outstanding and entitled to vote. Thus, the holders of 41,506,965 shares must be present online at the virtual meeting or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a legal proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote online during the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting online at the virtual meeting or represented by proxy may adjourn the meeting to another date.

How do I ask a question at the Annual Meeting?

Only stockholders of record as of April 12, 2021 may submit questions or comments at the Annual Meeting. If you would like to submit a question, you must first register for the Annual Meeting at <http://viewproxy.com/marketherapeutics/2021/htype.asp> by 11:59 p.m. Eastern Time on June 3, 2021 and, once you join the meeting, you can type your question in the questions/chat box in the meeting portal.

To help ensure that we have a productive and efficient meeting, and in fairness to all stockholders in attendance, you will also find posted our rules of conduct for the Annual Meeting when you log in prior to the start of the Annual Meeting. In accordance with the rules of conduct, we ask that you limit your remarks to one brief question or comment that is relevant to the Annual Meeting or our business and that such remarks are respectful of your fellow stockholders and meeting participants. Our management may group questions by topic with a representative question read aloud and answered. In addition, questions may be ruled out of order if they are, among other things, irrelevant to our business, related to pending or threatened litigation, disorderly, repetitious of statements already made, or in furtherance of the speaker's own personal, political or business interests. Questions will be addressed in the "Question and Answer" portion of the Annual Meeting.

What do I do if I have technical difficulties in connection with the Annual Meeting?

There will be technicians ready to assist you with any technical difficulties you may have accessing the annual meeting live audio webcast. Please be sure to check in by 7:45 a.m. Central Time on June 8, 2021, the day of the meeting, so that any technical difficulties may be addressed before the annual meeting live audio webcast begins. If you encounter any difficulties accessing the webcast during the check-in or meeting time, please email VirtualMeeting@viewproxy.com or call 866-612-8937.

Will a list of record stockholders as of the record date be available?

A list of our record stockholders as of the close of business on the record date will be made available to stockholders during the meeting. In addition, for the ten days prior to the date of the annual meeting, the list will be available for examination by any stockholder of record for a legally valid purpose at our corporate headquarters during regular business hours.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a Current Report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors consists of seven directors, all of whom are nominees for re-election as a director this year. Each director to be elected and qualified will hold office until the next annual meeting of stockholders and until his or her successor is elected, or, if sooner, until the director's death, resignation or removal. Each of the nominees listed below is currently a director of the Company who was previously elected by the stockholders. See "Information Regarding the Board of Directors and Corporate Governance – Nominating and Corporate Governance Committee." It is our policy to invite and encourage nominees for directors to attend the Annual Meeting. All seven of the directors then in office attended the 2020 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares present at the virtual meeting or represented by proxy and entitled to vote on the election of directors. Accordingly, the seven nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the seven nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of a substitute nominee that we propose. Each person nominated for election has agreed to serve if elected. We have no reason to believe that any nominee will be unable to serve.

NOMINEES

The following is a brief biography of each nominee for director and a discussion of the specific experience, qualifications, attributes or skills of each nominee that led the Nominating and Corporate Governance Committee to recommend that person as a nominee for director, as of the date of this proxy statement.

The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct the Company's business. To that end, the Nominating and Corporate Governance Committee has identified and evaluated nominees in the broader context of the Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Nominating and Corporate Governance Committee views as critical to effective functioning of the Board. To provide a mix of experience and perspective on the Board, the Committee also takes into account gender, age, and ethnic diversity.

The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Nominating and Corporate Governance Committee to believe that that nominee should continue to serve on the Board. However, each of the members of the Nominating and Corporate Governance Committee may have a variety of reasons why he believes a particular person would be an appropriate nominee for the Board, and these views may differ from the views of other members.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the Nasdaq Stock Market (“Nasdaq”) listing standards, a majority of the members of a listed company’s Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. The Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, the Board has affirmatively determined that the following five directors are independent directors within the meaning of the applicable Nasdaq listing standards: David Eansor, Steven Elms, David Laskow-Pooley, Frederick Wasserman and John Wilson. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with the Company.

BOARD LEADERSHIP STRUCTURE

The Board of Directors of the Company has an independent chair, Mr. Wasserman, who has authority, among other things, to call and preside over Board meetings and to set meeting agendas. Accordingly, the Board Chair has substantial ability to shape the work of the Board. The Company believes that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management’s performance, increasing management accountability and improving the ability of the Board to monitor whether management’s actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having an independent Board Chair can enhance the effectiveness of the Board as a whole.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the Board’s key functions is informed oversight of the Company’s risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Audit Committee responsibilities also include oversight of information security risk management. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Typically, the Board committees meet at least annually with the employees responsible for risk management in the committees’ respective areas of oversight. Both the Board as a whole and the various standing committees receive periodic risk assessment reports from management, as well as incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met eight times during the last fiscal year. Each director attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served held during the portion of the last fiscal year for which he was a director or committee member.

INFORMATION REGARDING COMMITTEES OF THE BOARD OF DIRECTORS

The Board has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership and meeting information for fiscal 2020 for each of the Board committees:

Total meetings in fiscal 2020	5	5	3

* Committee Chairperson

Below is a description of each committee of the Board of Directors. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board of Directors has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee the Company’s corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on the Company’s audit engagement team as required by law; reviews and approves or rejects transactions between the company and any related persons; confers with management and the independent auditors regarding the effectiveness of internal control over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company’s annual audited financial statements and quarterly financial statements with management and the independent auditor, including a review of the Company’s disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations.”

The Audit Committee is composed of four directors: David Eansor, Steven Elms, David Laskow-Pooley and Frederick Wasserman. The Audit Committee met five times during fiscal 2020. The Board has adopted a written Audit Committee charter that is available to stockholders on our website at <https://www.markertherapeutics.com>.

The Board of Directors reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the Nasdaq listing).

The Board of Directors has also determined that Mr. Wasserman qualifies as an "audit committee financial expert," as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Wasserman's level of knowledge and experience based on a number of factors, including his formal education and experience as the chief financial officer of a publicly-traded company. In addition to the Company's Audit Committee, Mr. Wasserman also serves as chairman of the audit committee of SMTC Corporation. The Board of Directors has determined that this simultaneous service does not impair Mr. Wasserman's ability to effectively serve on the Company's Audit Committee.

Report of the Audit Committee of the Board of Directors*

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2020 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

Compensation Committee

The Compensation Committee of the Board of Directors acts on behalf of the Board to review and oversee the Company's compensation strategy, policies, plans and programs, including:

- establishment of corporate and individual performance objectives relevant to the compensation of the Company's executive officers, directors and other senior management and evaluation of performance in light of these stated objectives;
- annual review and approval of the individual elements of total compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Company's executive officers, other than the Chief Executive Officer;
- annual review of, and recommendation to the Board for approval, the individual elements of total compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Chief Executive Officer; and
- administration of the Company's equity compensation and other benefit plans.

The Compensation Committee is composed of three directors: Steven Elms, David Laskow-Pooley and Frederick Wasserman. All current and future members of the Company's Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the Nasdaq listing standards. The Compensation Committee met five times during fiscal 2020. The Board has adopted a written Compensation Committee charter that is available to stockholders on our website at <https://www.markertherapeutics.com>.

Typically, the Compensation Committee meets at least quarterly and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation

with the Chief Executive Officer and Radford, the compensation consultant engaged by the Compensation Committee. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the compensation committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and Nasdaq, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent. In 2020, after taking into consideration the six factors prescribed by the SEC and Nasdaq described above, the Compensation Committee engaged Radford as its compensation consultant. See "Executive Compensation – Summary Compensation Table – Narrative to Summary Compensation Table – Role of the Compensation Committee and Executive Officers in Setting Executive Compensation."

Under its charter, the Compensation Committee may form, and delegate authority to, subcommittees as appropriate. The Compensation Committee has formed a Non-Officer Stock Option Subcommittee, currently composed of Peter Hoang, to which it has delegated authority to grant, without any further action required by the Compensation Committee, stock options to employees who are not officers of the Company. The purpose of this delegation of authority is to enhance the flexibility of option administration within the Company and to facilitate the timely grant of options to non-management employees, particularly new employees, within specified limits approved by the Compensation Committee. Typically, as part of its oversight function, the Compensation Committee will review on a quarterly basis the list of grants made by the subcommittee. During fiscal 2020, the subcommittee exercised its authority to grant options to purchase an aggregate of 361,000 shares to non-officer employees.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board of Directors, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of management and the Board, and developing a set of corporate governance principles for the Company.

The Nominating and Corporate Governance Committee is composed of three directors: David Eansor, Frederick Wasserman and John Wilson. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards). The Nominating and Corporate Governance Committee met three times during fiscal 2020. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on the Company's website and <https://www.markertherapeutics.com>.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders.

However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Board diversity and inclusion is critical to the Company's success. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity (including gender, racial and ethnic diversity), age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. As presently constituted, the Board represents a deliberate mix of members who have a deep understanding of the Company's business, as well as members who have different skill sets and points of view on substantive matters pertaining to our business. Our nomination process and our Board's approach to assessment and evaluation of our nominees support our continued commitment to diversity and inclusion.

The Nominating and Corporate Governance Committee appreciates the value of thoughtful Board refreshment, and regularly identifies and considers qualities, skills and other director attributes that would enhance the composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee also takes into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. The Company previously granted board observer rights to Aisling Capital, pursuant to which Mr. Elms was designated as a board observer prior to being appointed as a director, and New Enterprise Associates 16, L.P. ("NEA"), pursuant to which NEA may designate either a board observer or a director until a change of control transaction occurs or NEA ceases to own at least 2,500,000 shares of the Company's common stock. NEA has currently designated a non-voting board observer.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Marker Therapeutics, Inc., Attention: Secretary, 3200 Southwest Freeway, Suite 2500, Houston, Texas 77027, at least 90 days, but not more than 120 days prior to the anniversary date of the preceding year's annual meeting of stockholders. Submissions must include (1) all information related to such nominee that would be required to be disclosed in solicitations of proxies for the election of such nominee as a director pursuant to Regulation 14A under the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and serving as a director, if elected, and (2) a description of all direct and indirect compensation and other material monetary arrangements, agreements or understandings during the past three years, and any other material relationship, if any, between or concerning the nominating stockholder and his, her or its affiliates, on the one hand, and the proposed nominee or any of his or her affiliates, on the other hand. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as an independent director or that could be material to a reasonable stockholder's understanding of the independence, or lack of independence, of the proposed nominee.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Company's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Secretary of the Company Secretary, 3200 Southwest Freeway, Suite 2500, Houston, Texas 77027. All communications will be compiled by the Secretary of the Company and submitted to the Board or the individual directors on a periodic basis.

CODE OF ETHICS

The Company has adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on our website at <https://www.markertherapeutics.com>. If the Company makes any substantive amendments to the Code of Business Conduct and Ethics or grants any waiver from a provision of the Code to any executive officer or director, the Company will promptly disclose the nature of the amendment or waiver on its website.

CORPORATE GOVERNANCE GUIDELINES

In 2020, the Board of Directors documented the governance practices followed by the Company by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate the Company's business operations as needed and to make decisions that are independent of the Company's management. The guidelines are also intended to align the interests of directors and management with those of the Company's stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, including diversity, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed on our website at <https://www.markertherapeutics.com>.

HEDGING POLICY

The Company's insider trading policy prohibits all employees, including our executive officers, and non-employee directors from engaging in short sales, transactions in put or call options, hedging transactions, using margin accounts, pledges, or other inherently speculative transactions involving the Company's securities.

PROPOSAL 2**ADVISORY VOTE ON EXECUTIVE COMPENSATION**

The Board has adopted a policy of soliciting a non-binding advisory vote on the compensation of the named executive officers, commonly referred to as a “say-on-pay vote,” every year. In accordance with that policy, this year, the Company is again asking the stockholders to approve, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in this proxy statement in accordance with SEC rules.

This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s named executive officers and the philosophy, policies and practices described in this proxy statement. The compensation of the Company’s named executive officers subject to the vote is disclosed in the compensation tables and the related narrative disclosure contained in this proxy statement. As discussed in those disclosures, the Company believes that its compensation policies and decisions are strongly aligned with our stockholders’ interests and consistent with current market practices for similarly situated companies. Compensation of the Company’s named executive officers is designed to enable the Company to attract and retain talented and experienced executives to lead the Company successfully in a competitive environment.

Accordingly, the Board is asking the stockholders to indicate their support for the compensation of the Company’s named executive officers as described in this proxy statement by casting a non-binding advisory vote “FOR” the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including compensation tables and narrative discussion, is hereby APPROVED.”

Because the vote is advisory, it is not binding on the Board of Directors or the Company. Nevertheless, the views expressed by the stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present at the virtual meeting or represented by proxy and entitled to vote on the matter at the annual meeting. Unless the Board decides to modify its policy regarding the frequency of soliciting say-on-pay votes, the next scheduled say-on-pay vote will be at the 2022 Annual Meeting of Stockholders.

**THE BOARD OF DIRECTORS RECOMMENDS
A VOTE IN FAVOR OF PROPOSAL 2.**

PROPOSAL 3

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Marcum LLP has audited the Company's financial statements since 2014. Representatives of Marcum LLP are expected to be present online at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of Marcum LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present at the virtual meeting or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the selection of Marcum LLP.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the fiscal year ended December 31, 2020, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were complied with, except for Form 4s filed by Eastern Capital LTD on June 19, 2020 and November 13, 2020, and Form 5s filed by David Eansor, Steven Elms, David Laskow-Pooley, Frederick Wasserman and John Wilson on February 12, 2021 for transactions that took place on May 19, 2020, each due to administrative oversight.

EXECUTIVE COMPENSATION

We are currently a smaller reporting company and have elected to be subject to the scaled reporting rules applicable to smaller reporting companies. The following section describes, under the scaled reporting rules applicable to smaller reporting companies, the compensation we paid to our named executive officers for 2020 and 2019. Our named executive officers for 2020 include our principal executive officer and our two other most highly compensated executive officers:

- Peter Hoang, our President and Chief Executive Officer;
- Anthony Kim, our Chief Financial Officer; and
- Mythili Koneru, our Chief Medical Officer.

SUMMARY COMPENSATION TABLE

The following table sets forth information regarding compensation awarded to, earned by and paid to our named executive officers with respect to the years ended December 31, 2020 and 2019, respectively.

- (1) The amounts reported do not reflect the amounts actually received by our named executive officers. Instead, in accordance with SEC rules, these amounts reflect the grant date fair value of each stock option granted to our named executive officers during the fiscal year ended December 31, 2020, as computed in accordance with Financial Accounting Standard Board Accounting Standards Codification Topic 718 for stock-based compensation transactions (“FASB ASC 718”). Assumptions used in the calculation of these amounts are included in Note 11 to our audited financial statements included in our Annual Report on Form 10-K. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Our named executive officers who have received options will only realize compensation with regard to these options to the extent the trading price of our common stock is greater than the exercise price of such options.
- (2) Mr. Hoang did not earn compensation during 2019 or 2020 for his service on the Board of Directors.
- (3) Dr. Koneru’s employment with us commenced in February 2019. Dr. Koneru ceased serving as our Senior Vice President of Clinical Development and was appointed as our Chief Medical Officer in December 2019. The 2019 salary reported reflects the pro rata portion of Dr. Koneru’s annual salary of \$350,000 earned during 2019 from commencement of her employment through December 31, 2019.
- (4) Represents a one-time cash sign-on bonus of \$50,000 pursuant to Dr. Koneru’s employment agreement.
- (5) The Board of Directors determined to pay the 2019 annual incentives in the form of stock options that vest monthly over a four-year period, subject to the named executive officer’s continued service with us through each applicable vesting date, as described below in

“– Narrative to Summary Compensation Table – Executive Compensation Program – Annual Incentive Compensation.” Pursuant to SEC rules, the amount of the annual incentives awarded to each named executive officer has been reported in the Summary Compensation Table under the “Non-Equity Incentive Plan Compensation” column for fiscal year 2019. Because the stock options were granted to our named executive officers in March 2020, the same awards are also reported under the “Option Awards” column of the Summary Compensation Table for fiscal year 2020.

NARRATIVE TO SUMMARY COMPENSATION TABLE

Our executive compensation program is designed to achieve the following objectives:

- attract, motivate and reward our named executive officers whose knowledge, skills, performance and business relationships are critical to our success;
- motivate our named executive officers to manage our business to meet short-term and long-range goals designed to drive the responsible creation of stockholder value and reward accomplishment of these goals;
- align the interests of our executive officers and stockholders by linking their long-term incentive compensation opportunities to stockholder value creation; and
- provide a competitive compensation package within the context of responsible cost management.

We review compensation annually for all employees, including our named executive officers. In setting executive base salaries and granting equity and non-equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our stockholders and a long-term commitment to the Company. We do not target a specific mix of compensation among base salary, bonus or long-term incentives, but we structure a significant portion of our executives’ compensation to be variable, at risk and tied directly to the measurable performance of our Company and each executive officer.

Role of the Compensation Committee and Executive Officers in Setting Executive Compensation

The Compensation Committee of our Board of Directors is responsible for determining our executives’ compensation. Our Compensation Committee typically reviews and discusses management’s proposed compensation with the Chief Executive Officer for all executives other than the Chief Executive Officer. Based on those discussions and its discretion, the Compensation Committee then approves the compensation of each executive officer without members of management present. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation. The Compensation Committee makes recommendations to the Board regarding the Chief Executive Officer’s compensation for approval by the full Board.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and Nasdaq described above, the Compensation Committee engaged Radford, which is part of the Rewards Solutions practice at Aon plc, as its compensation consultant. Our Compensation Committee identified Radford based on Radford’s general reputation in the industry. The Compensation Committee requested that Radford:

- evaluate the efficacy of the Company’s existing compensation strategy and practices in supporting and reinforcing the Company’s long-term strategic goals; and
- assist in refining the Company’s compensation strategy and in developing and implementing an executive compensation program to execute that strategy.

As part of its engagement, Radford was also requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group and ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Following an active dialogue with Radford, the Compensation Committee approved the recommendations.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. However, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which recommends to the Board for approval any adjustments to his compensation as well as awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive and director compensation paid at other companies identified by the consultant.

The Compensation Committee also evaluates our executive compensation program in light of our stockholders' views and our transforming business needs and expects to continue to consider the outcome of our "say on pay" votes and our stockholders' views when making future executive compensation decisions.

EXECUTIVE COMPENSATION PROGRAM

The annual compensation arrangements for our named executive officers consist of an annual base salary and long-term incentive compensation in the form of equity awards. Our named executive officers are also eligible to receive short-term incentive compensation in the form of annual incentive awards, which may be paid in cash or equity-based awards. We have historically emphasized the use of equity to provide incentives for our named executive officers to focus on the growth of our overall enterprise value and, correspondingly, to create sustainable value for our stockholders.

Annual Base Salary

We have entered into employment agreements with each of our named executive officers that establish annual base salaries, which are generally determined, approved and reviewed periodically by our Compensation Committee in order to compensate our named executive officers for the satisfactory performance of duties to the Company. Annual base salaries are intended to provide a fixed component of compensation to our named executive officers, reflecting their expertise, experience, knowledge, roles and responsibilities. Base salaries for our named executive officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent. Merit-based increases to salaries are based on management's assessment of the individual executive's performance, the recommendations made by the Chief Executive Officer to the Compensation Committee and the competitive market in which the Company operates for talent.

The following table presents the annual base salaries for each of our named executive officers for 2020 and 2019, as determined by the Board or Compensation Committee, as applicable:

Name	2020 Base Salary (\$)	2019 Base Salary (\$)
Peter Hoang	418,000	380,000
Anthony Kim	395,000	375,000
Mythili Koneru	400,000	350,000

Annual Incentive Compensation

Our named executive officers are eligible to receive annual incentive compensation based on the satisfaction of individual and corporate performance objectives established by the Board. Each named executive officer has a

target annual incentive opportunity, calculated as a percentage of annual base salary, and may earn more or less than the target amount based on our company's and his or her individual performance. For 2020, the target annual incentive opportunities as a percentage of base salary for our named executive officers were 50% for Mr. Hoang, 40% for Mr. Kim and 35% for Dr. Koneru. The amounts of any annual incentives earned are determined after the end of the year, based on the achievement of the designated corporate and individual performance objectives, and may be paid in cash or equity.

For 2020 and 2019, annual incentives were earned based on the Compensation Committee's assessment of each executive's performance. The amounts of such annual incentives, which are set forth in the "Summary Compensation Table" above, were recommended by the Compensation Committee and approved by the Board in March 2021 and March 2020 based on each executive's and our corporate performance in 2020 and 2019, respectively. The Board determined that our percentage attainment of our corporate goals for each of 2020 and 2019 was 100% and approved individual performance payouts for each named executive officer for each such year. The annual incentives paid to the named executive officers for 2020 performance are included in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table above.

For 2019, the Board determined to pay these awards in the form of options in order to further enhance the alignment of the interests of our named executive officers with those of our stockholders. Such option awards were granted under our 2014 Omnibus Stock Ownership Plan and are set forth in the table below. Each option award vests monthly over a four-year period, subject to the named executive officer's continued service with us through each applicable vesting date.

Name	Stock Option Grant In Lieu of Earned Annual Incentive Compensation (Number of Shares)	Grant Date Fair Value (\$) ⁽¹⁾
Peter L. Hoang	41,200	71,665
Anthony Kim	32,500	56,523
Mythili Koneru	23,900	41,565

- (1) The amounts reported do not reflect the amounts actually received by our named executive officers. Instead, in accordance with SEC rules, these amounts reflect the grant date fair value of each stock option granted to our named executive officers during the fiscal year ended December 31, 2019, as computed in accordance with FASB ASC 718. Assumptions used in the calculation of these amounts are included in Note 11 to our audited financial statements included in our Annual Report on Form 10-K. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Our named executive officers who have received options will only realize compensation with regard to these options to the extent the trading price of our common stock is greater than the exercise price of such options.

The annual incentives paid to the named executive officers for 2019 performance are included in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table above.

Equity-Based Awards

Our equity-based incentive awards granted to our named executive officers are designed to align the interests of our named executive officers with those of our stockholders. Vesting of equity awards is generally tied to each officer's continuous service with us and serves as an additional retention measure. Beginning in June 2020, we grant all equity awards pursuant to our 2020 Equity Incentive Plan, which replaced our 2014 Omnibus Stock Ownership Plan in May 2020. Our executives generally are awarded an initial new hire grant upon commencement of employment and thereafter on an annual basis, subject to the discretion of the Board or Compensation Committee, as applicable. The equity awards described in this section are included in the "Option Awards" column of the Summary Compensation Table above.

RETIREMENT BENEFITS AND OTHER COMPENSATION

Our named executive officers did not participate in, or otherwise receive any benefits under, any pension, retirement or deferred compensation plan sponsored by us during 2020. Our named executive officers are eligible to participate in our benefit programs on the same basis as all employees of our company. We generally do not provide perquisites or personal benefits to our named executive officers except in limited circumstances, and we did not provide any perquisites or personal benefits to our named executive officers in 2020.

AGREEMENTS WITH OUR NAMED EXECUTIVE OFFICERS AND POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

We have entered into employment agreements with each of our named executive officers that provide for the basic terms of their employment, including base salary, annual incentive opportunity and equity grants, as well as certain severance and change of control benefits. Each of our named executive officers is employed at will and may be terminated at any time for any reason.

Peter Hoang

We entered into an employment agreement with Mr. Hoang in September 2017 and an amendment thereto in March 2019. The term of the agreement is for three years and will be automatically extended for an additional 12 months unless terminated by Mr. Hoang or us. Under the terms of his employment agreement, Mr. Hoang was eligible to receive a base salary of \$362,500, which was subsequently increased by the Board to \$380,000 in the amended employment agreement, and an annual target incentive opportunity of up to 50% of his annual base salary based upon the assessment by the Board of Mr. Hoang's performance and other conditions as the Board shall determine in its sole discretion on an annual basis. Pursuant to the amended employment agreement, Mr. Hoang is subject to a covenant not to disclose our confidential information during his employment term and an assignment of intellectual property rights. Also, during his employment term and for a period of 12 months thereafter, Mr. Hoang covenants not to compete with us and not to solicit any of our customers, vendors or employees.

Potential Payments Upon Termination or Change in Control

If Mr. Hoang's employment is terminated by us for cause or by Mr. Hoang without good reason (each as defined in the amended employment agreement) during the term of the agreement, he will be entitled to received (i) his then-current annual base salary through the date of termination; (ii) any reimbursable expenses for which he has not yet been reimbursed as of the date of termination; and (iii) any other rights and vested benefits (if any) provided under employee benefit plans and programs of the Company, determined in accordance with the applicable terms and provisions of such plans and programs ("Accrued Compensation"). If Mr. Hoang's employment is terminated by us without cause or by Mr. Hoang for good reason, subject to Mr. Hoang's execution of a release of claims against us, and in addition to the payment of the Accrued Compensation, Mr. Hoang is entitled to (i) a payment equal to 12 months of his annual base salary, as in effect at the termination date; (ii) any earned but unpaid bonus for the prior calendar year; and (iii) a pro-rated bonus payment equal to his target annual performance bonus for the calendar year in which his employment is terminated (the "Hoang Additional Severance Payments"). Mr. Hoang will also be eligible for continued health insurance coverage for 12 months after the date of Mr. Hoang's termination. Further, if we do not renew Mr. Hoang's employment agreement at the end of the term, Mr. Hoang will be entitled to be paid 12 months of his annual base salary over a 12-month period.

If Mr. Hoang's employment is terminated by us without cause or by him for good reason during the period of six months following a change in control of us (as defined in the amended employment agreement), in lieu of the Hoang Additional Severance Payments and health insurance coverage described above, Mr. Hoang will be entitled to receive a severance payment equal to the sum of (i) 18 months of his annual base salary, at the higher of the base salary rate in effect on the date of termination or the base salary rate in effect immediately before the effective date of the change in control, and (ii) his performance bonus for the year, which includes the effective date of the change in control, payable at the limit of performance amount. In addition, he will also receive in the same payment the amount of any performance bonus that, as of the date of termination, he had earned but had not yet been paid by us, and he will be entitled to the vesting of all of outstanding equity

awards subject to time-based vesting requirements, such that all such equity awards will be fully vested as of the date of Mr. Hoang's termination.

Mr. Hoang's amended employment agreement also provides that each of the payments and benefits under the agreement are subject to compliance with Section 409A of the Code and it includes time of payment language intended to comply with Section 409A requirements.

Anthony Kim

We entered into an employment agreement with Mr. Kim in November 2018. Under the terms of his employment agreement, Mr. Kim was eligible to receive a base salary of \$375,000 and an annual target incentive opportunity of 40% of his annual base salary based upon the assessment by the Compensation Committee of Mr. Kim's performance and other conditions as the Board shall determine in its sole discretion on an annual basis. Pursuant to his employment agreement, Mr. Kim is subject to a covenant not to disclose our confidential information during his employment term and an assignment of intellectual property rights. Also, during his employment term and for a period of 12 months thereafter, Mr. Kim covenants not to compete with us and not to solicit any of our customers, vendors or employees.

Potential Payments Upon Termination or Change in Control

If Mr. Kim's employment is terminated by us for cause or by Mr. Kim without good reason (each as defined in his employment agreement) during the term of the agreement, he will be entitled to received (i) his then-current annual base salary through the date of termination; (ii) any reimbursable expenses for which he has not yet been reimbursed as of the date of termination; and (iii) any Accrued Compensation. If Mr. Kim's employment is terminated by us without cause or by Mr. Kim for good reason, subject to Mr. Kim's execution of a release of claims against us, and in addition to the payment of the Accrued Compensation, Mr. Kim is entitled to (i) a payment equal to 12 months of his annual base salary as in effect at the termination date and (ii) a pro-rated bonus payment equal to his target annual performance bonus for the calendar year in which his employment is terminated (the "Kim Additional Severance Payments").

If Mr. Kim's employment is terminated by us without cause or by him for good reason during the period of 12 months following a change in control of us (as defined in his employment agreement), in lieu of the Kim Additional Severance Payments described above and subject to Mr. Kim's execution of a release of claims, Mr. Kim will be entitled to (i) a payment equal to 12 months of his annual base salary as in effect at the termination date, (ii) a bonus payment equal to his target annual performance bonus for the year of termination and (iii) vesting of all of Mr. Kim's outstanding equity awards subject to time-based vesting requirements, such that all such equity awards will be fully vested as of the date of Mr. Kim's termination. Mr. Kim will also be eligible for continued health insurance coverage until the earliest of (i) 12 months after the date of Mr. Kim's termination, (ii) the expiration of Mr. Kim's eligibility for COBRA coverage and (iii) the date Mr. Kim becomes eligible for substantially equivalent health insurance coverage.

Mr. Kim's employment agreement also provides that each of the payments and benefits under the agreement are subject to compliance with Section 409A of the Code and it includes time of payment language intended to comply with Section 409A requirements.

Mythili Koneru

We entered into an employment agreement with Dr. Koneru in February 2019. Under the terms of her employment agreement, Dr. Koneru was eligible to receive a base salary of \$350,000 and an annual target incentive opportunity of 35% of her annual base salary based upon the assessment by the Compensation Committee of Dr. Koneru's performance and other conditions as the Board shall determine in its sole discretion on an annual basis, as well as a one-time signing bonus of \$50,000. Pursuant to her employment agreement, Dr. Koneru is subject to a covenant not to disclose our confidential information during her employment term and an assignment of intellectual property rights. Also, during her employment term and for a period of 12 months thereafter, Dr. Koneru covenants not to compete with us and not to solicit any of our customers, vendors or employees.

Potential Payments Upon Termination or Change in Control

If Dr. Koneru employment is terminated by us for cause or by Dr. Koneru without good reason (each as defined in her employment agreement) during the term of the agreement, she will be entitled to received (i) her then-current annual base salary through the date of termination; (ii) any reimbursable expenses for which she has not yet been reimbursed as of the date of termination; and (iii) any Accrued Compensation. If Dr. Koneru's employment is terminated by us without cause or by Dr. Koneru for good reason, subject to Dr. Koneru's execution of a release of claims against us, and in addition to the payment of the Accrued Compensation, Dr. Koneru is entitled to (i) a payment equal to 12 months of her annual base salary as in effect at the termination date and (ii) a pro-rated bonus payment equal to her target annual performance bonus for the calendar year in which her employment is terminated (the "Koneru Additional Severance Payments"). Dr. Koneru will also be eligible for continued health insurance coverage until the earliest of (i) 12 months after the date of Dr. Koneru's termination, (ii) the expiration of Dr. Koneru's eligibility for COBRA coverage and (iii) the date Dr. Koneru becomes eligible for substantially equivalent health insurance coverage.

If Dr. Koneru's employment is terminated by us without cause or by her for good reason during the period of 12 months following a change in control of us (as defined in her employment agreement), in lieu of the Additional Severance Payments and health insurance coverage described above and subject to Dr. Koneru's execution of a release of claims, Dr. Koneru will be entitled to (i) a payment equal to 12 months of her annual base salary as in effect at the termination date, (ii) a bonus payment equal to her target annual performance bonus for the year of termination and (iii) vesting of all of Dr. Koneru's outstanding equity awards subject to time-based vesting requirements, such that all such equity awards will be fully vested as of the date of Dr. Koneru's termination.

Dr. Koneru's employment agreement also provides that each of the payments and benefits under the agreement are subject to compliance with Section 409A of the Code and it includes time of payment language intended to comply with Section 409A requirements.

NARRATIVE TO DIRECTOR COMPENSATION TABLE

Our Director Compensation Program is assessed periodically relative to our comparators by Radford, the Compensation Committee's independent compensation consultant. The program provides that non-employee directors receive an initial stock option grant to purchase 12,500 shares of our common stock upon joining the Board of Directors and an annual retainer for their service on the Board of Directors, which vests on a monthly basis over a two-year period subject to the non-employee director's continuous service as of each such vesting date. The annual retainer is composed of a \$40,000 cash payment, payable quarterly at the end of each quarter subject to service as a non-employee director as of that date, and \$40,000 paid in common stock at the time of our annual stockholder meeting, with the number of shares determined based on the closing price of our common stock on the day before our annual stockholder meeting. In addition, our non-employee directors are entitled to reimbursement of direct expenses incurred in connection with attending meetings of our Board of Directors or committees thereof.

TRANSACTIONS WITH RELATED PERSONS AND INDEMNIFICATION

RELATED-PERSON TRANSACTIONS POLICY AND PROCEDURES

The Company has adopted a written Related Party Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of "related-persons transactions." For purposes of the Company's policy only, a "related-person transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any "related person" are participants involving an amount that is reasonably expected to exceed \$120,000 in any calendar year. Transactions involving compensation for services provided to the Company as an employee, director, consultant or similar capacity by a related person are not covered by this policy. A related person is any executive officer, director, or more than 5% stockholder of the Company, including any of their immediate family members, and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to the Audit Committee (or, where Audit Committee approval would be inappropriate, to another independent body of the Board) for consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to the Company of the transaction and whether any alternative transactions were available. To identify related-person transactions in advance, the Company relies on information supplied by its executive officers, directors and certain significant stockholders. In considering related-person transactions, the Committee takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to the Company, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the terms of the transaction, (d) the availability of other sources for comparable services or products and (e) the terms available to or from, as the case may be, unrelated third parties or to or from employees generally. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval. The policy requires that, in determining whether to approve, ratify or reject a related-person transaction, the Committee consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders, as the Committee determines in the good faith exercise of its discretion.

CERTAIN RELATED-PERSON TRANSACTIONS

The following includes a summary of transactions since January 1, 2019 to which we have been a party, in which the amount involved in the transaction exceeded the lesser of one percent of our average total assets at year end for the last two completed fiscal years or \$120,000, and in which any of our directors, executive officers or, to our knowledge, beneficial owners of more than 5% of our voting securities or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest. Other than described below, there have not been, nor are there currently any proposed, transactions or series of similar transactions to which we have been or will be a party other than compensation arrangements, which include equity and other compensation, termination, change in control and other arrangements, which are described under "Executive Compensation" and "Director Compensation."

Consulting Agreement with Dr. Ann Leen

In October 2018, we entered into a consulting agreement with Dr. Ann Leen, a holder of greater than 5% of the common stock of the Company, to serve as our Chief Scientific Officer, pursuant to which she received \$350,000 and \$53,846 in compensation in 2019 and 2020, respectively. Dr. Ann Leen ceased to serve as our Chief Scientific Officer in February 2020.

Purchases from Bio-Techne Corporation

We contract with Bio-Techne Corporation and two of its brands for the purchases of reagents, primarily cytokines. Mr. David Eansor, a member of our board of directors, is the President of the Protein Sciences Segment of Bio-Techne Corporation. In 2020, we purchased \$152,400 of reagents from Bio-Techne Corporation.

Indemnification

The Company provides indemnification for its directors and officers so that they will be free from undue concern about personal liability in connection with their service to the Company. Under the Company's Bylaws, the Company is required to indemnify its directors and officers to the extent not prohibited under Delaware or other applicable law. The Company has also entered into indemnity agreements with certain officers and directors. These agreements provide, among other things, that the Company will indemnify the officer or director, under the circumstances and to the extent provided for in the agreement, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of the Company, and otherwise to the fullest extent permitted under Delaware law and the Company's Bylaws.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Marker stockholders will be “householding” the Company’s proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or us. Direct your written request to Marker Therapeutics, Inc., Attn: Secretary, 3200 Southwest Freeway, Suite 2500, Houston, Texas 77027. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
